

## High School Summer Camp

South County Golf Academy is holding a High School Camp this summer at Arroyo Trabuco Golf Club. The camp is designed to help high school players improve every aspect of their game. Instruction will include detailed swing analysis, short game & putting improvement, golf fitness, and course management. Camp will be a great way to get players more educated about their games. Camp will be 4 days with 2 of the days being on the golf course. For any questions please contact:

Brian Schippel 714-231-0313
